

# Embracing a Spirituality of Imperfection

## Following the Example of Henri Nouwen

**Monday, October 14 through  
Wednesday, October 16**

Henri Nouwen subscribed to a counterintuitive construal of the nature of our spiritual life: the path to perfection is through the sobering realities of imperfection. In this retreat/workshop, we will address the experience of brokenness, weakness, and suffering as necessary elements in our continuing movement toward wholeness and integration as embodied by Nouwen himself--the perfect example of an imperfect life.
