Dear Friends,

Henri Nouwen exemplified through his life and writings what it means to be a true companion to others. During this fall weekend retreat, we will examine closely his overlapping roles as a spiritual friend, guide, mentor, and spiritual director to many seekers. In so doing, we hope to apply his integrated approach as we seek to accompany others on their journey. Join us for this retreat event and invite others as well.

Companioning you on the journey,
The Nouwen Legacy
