**"Lifesigns"**  
According to  
Henri Nouwen  
with  
Wil Hernandez, Ph.D.

**Retreat Facilitator: Wil Hernandez, Ph.D.**

In John's Gospel, Jesus speaks about the vine and the branches. He says, "Make your home in Me (Intimacy) as I have made mine in you. When you remain in me, with me in you, you will bear ample fruit (Fecundity). And I told you so, so that my joy can be in you and your joy can be complete (Ecstasy). This is what Henri Nouwen calls the vital "lifesigns" of authentic spirituality.
