Dear Friends,

This August, join me for a nouwen Weekend Retreat in Valyermo. The workshop will tackle the well-integrated soul care ministry of Henri Nouwen based upon his equally integrated view of spirituality. It will bring to sharp focus the versatile process by which Nouwen companioned others on their spiritual journey, whether in his elastic role as a spiritual friend, guide, mentor, or as spiritual director. Do invite others as well to this weekend event.

With you on the journey,
Wil Hernandez
