Dear Friends,

Join us next month for a one-day Nouwen retreat featuring the intriguing tension between stability and mobility in our communal journey. Invite others too!

CSD Adult Faith Formation Program

Retreat Guide & Facilitator: Wil Hernandez, Ph.D.

This workshop explores Henri Nouwen's dynamics of community revolving around the compelling reality of stability and mobility in our journey. Through Nouwen's own example, we can learn how to navigate our way through its existing tension more productively---between our need for both 'roots' and 'wings' in community.
