Dear Friends,

Application for 2011 Cohort is now OPEN!

Yes, if you have been wanting to take part in a series of four retreats for an entire year with a group of 15-20 who are eager to learn about Henri Nouwen and his spirituality, now is your chance to participate in this unique experience even as we embark on its second year.

Currently, there are 16 people who comprise this year's cohort who are focusing on the theme "Journey of Integration" together (see group picture below). Next year's thrust will be on the "Journey of Imperfection." I invite you to seriously consider joining us!

With you on this journey,
