Dear Friend,

I wish you a fruitful 2011 with all of God's blessings!

*It would be a joy to see you in one or more Nouwen events lined up for this year. Specifically, I am launching a new series (actually two separate 3-part series) introducing the theme of my upcoming book: *Spiritual Polarities*. I hope that you can attend at least one of them on the topic that interests you the most (see the ad below).*

Do check out my website from time to time to see the most updated listing of retreats, workshops, seminars, etc. One of the personal highlights of what I do is the privilege of meeting and interacting with so many of you. I count it a high honor to be friends with many of you who share the same interest and passion I have for the writings of Nouwen. Thanks you for being on this journey with me.

Your companion on the journey,

WIL
