Dear Friends,

Our journey is one of perpetual tension as Henri Nouwen's life attested. We all wrestle with the existence of spiritual polarities which we have to know how to navigate creatively. Through this retreat, we will confront some of these inward, outward, and upward polarities and learn how to befriend their accompanying tensions via Nouwen's own examples.

Our weeklong retreat will consist of personal time of solitude, small group interactions, plenary teaching (see the focal themes), community sharing, silent meal times, optional one-on-one consultations, and prayer liturgies.

Join us for this special guided experience at the gorgeous St. Ignatius Jesuit House (Inisfada) in Manhasset, NY.

Companioning you on the journey,
WIL (The Nouwen Legacy)
