Introducing
the
HENRI NOUWEN
and
SPIRITUAL
POLARITIES
2011
Retreat Series

Dear Friend,

This coming March, I am launching a 3-part series on the umbrella topic of Spiritual Polarities focusing on how Henri Nouwen navigated his way through the tension brought about by two opposing constructs. The theme is based on my third book on Nouwen to be published by Paulist Press at the end of 2011.

There are two main offerings with three sessions each. One is at the Cathedral Center (which began last month) and the other will be at the Arboretum. You can choose any retreat topic that interests you the most from either one of these two offerings. You can also mix-match and switch from one venue to another. Of course, you are welcome to attend the entire series if you like, from one or both of the offerings.

I look forward to seeing you in one or more of these event series.
