Victory Noll Center (OLVM)

August 25, 2012 (Saturday)

FOCAL THEME:

The Ministry of *Presence and Absence*

Dear Friends,

Henri Nouwen, without a doubt, gifted people with his very presence. But while he valued presence as key focus in our ministry of companioning others on their journey, he also sought to equalize it with the need to employ the ministry of absence. Nouwen believed that, at times, we need to learn how to leave so that the Spirit can freely come and do his unhindered work in people.

Through this retreat/workshop, Nouwen will guide us on how to integrate the seeming polarities of presence and absence in our ministry with, to, and for others.

Join us for this Saturday event and pass the word around to anyone who might be interested in the theme.

*Companioning you on the journey,
WIL (The Nouwen Legacy)*
